Knee Deepen (Salt City Orchestra Mix)

Moloko

Knee deepen
We deepen the game
In deeper
Don't walk awayJust foolish dreamers
We aspire
Do we deserve all that we desire?
If you decide that we can't set your heart alight
We'll walk on into the nightWe know that there's no need to fear
We are there we are here
We move, we move, we move, we move on
So long
We're long gone
Knee deepen (knee deepen)
We deepen the game (the game)
In deeper (deepen)
Don't walk away (walk away)
Knee deepen (knee deepen)
We deepen the game (the game)
In deeper (in deeper)
Don't walk awayWe will remember you
No, we won't forget
No, no fear of regret
And though we are the ones
Who walk into the night (we go on)
We won't vanish out of sight
We get over it, we go beyond
We find a way to get along
We move, we move, we move, we move on
(we move we move)
So come on (come on),
If you want to come along
(come along, come along)
Knee deepen (knee deepen)
We deepen the game (the game)
In deeper (deepen)
Don't walk away (walk away)
Knee deepen (knee deepen)
We deepen the game (the game)
In deeper (deepen)

Don't walk awayWe go on, we go on, we go on and on
We go on, come along, we go on and on
(we go on and on, we go on)Knee deepen
We deepen the game (we go on)
In deeper (we go on)
Don't walk away (the game)
Knee deepen (deepen)
We deepen the game (the game)
In deeper (deepen)
Don't walk away (the game)(we deepen)
We deepen the game (the game)
(we deepen)
Don't walk away
