

The Journey Home

National Philharmonie Orchestra London & Laurence

[Foreign content][Foreign content]The journey home is never too long

Your heart arrives before the train

The journey home is never too long

Some yesterday's always remain

I'm going back to where

My heart was light

Where my pillow was a ship

I sailed through the night

The journey home is never too long

When open arms are waiting there

The journey home is never too long

There's room to love and room to spare

I want to feel

The way that I did then

And think my wishes

Through before I wish again

Not every boat you come across

Is one you have to take

Now sometimes standing still can be

The best move you ever make

[Foreign content]The journey home is never too long

Home hopes to heal the deepest pain

The journey home is never too long

Your heart arrives before the train
