

Fuck Love

Iggy Azalea

Advisory - the following lyrics contain explicit language:

Fuck love, give me diamonds
Fuck love, give me diamonds
Fuck love, give me diamonds
Fuck love, give me diamonds
I'm already in love with myself
 So in love with myself
I'm already in love with myself
Fuck love, give me diamonds So you want a type of bitch that'll stay at home
But I'm too busy getting mine on
 So the kinda girl you want
Boy you need to call Tyrone
 I don't need your help
 I can take care of myself
I might get into the money
 Baby, couldn't you tell?
 I'm much chillin in Euro
Making a whole lotta euros
 Yeah my money so plural
Honey that's what I do though You can't break my heart
 You can't take my pride
Oh no, that love shit, I won't do it Fuck love, give me diamonds
 Fuck love, give me diamonds
 Fuck love, give me diamonds
 Fuck love, give me diamonds
I'm already in love with myself
 So in love with myself
I'm already in love with myself
Fuck love, give me diamonds Y'all dudes is a hot damn mess
I'm way too blessed to be stressed
 So I don't want no boyfriend
 Just give me them checks
 What if I'm a material girl?

Can't blame me I live in a material world
It's crazy, this much it should be making me hurl
Big baby, I know you want a taste of the pearl
It's my life, I'mma do who I want to
Do what I want to, and I don't want you
Alright, see my times gonna cost you
And all my love don't cost a thing You can't break my heart
You can't take my pride
Oh no, that love shit, I won't do it Fuck love, give me diamonds
Fuck love, give me diamonds
Fuck love, give me diamonds
Fuck love, give me diamonds
I'm already in love with myself
So in love with myself
I'm already in love with myself
Fuck love, give me diamonds Fuck love, fuck love, fuck love
That love shit I won't do it
Fuck love, fuck love, fuck love
That love shit I won't do it
