

Dead in the Water

Pop Evil

I was drifting thinking
You wouldn't let me go
Why was reaching for
Something that wasn't there
Light in the darkest place
Truth in a silent place
Hope when it's hopeless and
There's nothing left to save
I'm all alone stuck in a bottom because you
I'm all broken up all the pieces unglued
I'm seeing everything that I had float away
Thrown the side like a cast away
Where are you now?
Where are you now?
You know it weighs me down
Pressure building all around
You said you'd never let me drown
But now I'm dead in the water
Time washing over
The sacrifice
Sinking till I'm out of sight
You said you'd bring me back to life
But now I'm dead in the water
Time washing over
Soaked to the bone and now I'm
Drenched in a sorrow of the
Tide that keep rising as my
Thoughts pull me over
Breathe when you suffocate can't
See when you blinded by the
Flood filling up my lungs
You cannot hear me scream
I'm all alone stuck in a bottom because you
I'm all broken up all the pieces unglued
I'm seeing everything that I had float away
Thrown the side like a cast away
Where are you now?
Where are you now?
You know it weighs me down
Pressure building all around
You said you'd never let me drown
But now I'm dead in the water
Time washing over
The sacrifice
Sinking till I'm out of sight
You said you'd bring me back to life
But now I'm dead in the water
Time washing over
Gotta get my head back above water
Come and save me 'cause I'm drowning
Gotta get my head back above water

Pulling me under farther and farther
Gotta get my head back above water
('Cause I'm sinking, 'cause I'm drowning)
Gotta get my head back above water ('cause I'm drowning) You know it weighs me down
Pressure building all around
You said you'd never let me drown
But now I'm dead in the water
Time washing over The sacrifice
Sinking till I'm out of sight
You said you'd bring me back to life
But now I'm dead in the water
Time washing over
