Killing Joke

Songs of joy & sorrow echo expressions of unity
Rejoice in precious moments - chants & noises of purity
Separated from each other yet bounded by time as one
Past hurts forgiven now we recognise what's done is done Beyond the veil in dreams we fly
to soar again and then to die Weeping at disaster
Choirs of endless tear
Holy is the laughter
That overcomes all your fears And did we overcome the shadow? Confront the inner rage?
Will all our deeds be sung of? Remembered with loving praise?
And did we fight with courage and make the world a better place?
Will we till the soil and plant a forest for the human race? Beyond the veil in dreams we fly
to soar again and then to die
Weeping at disaster
Choirs of endless tear
Holy is the laughter
That overcomes all your fears
