## Juicy J

Fast life livin', yeah we still tippin'  
Codeine cups paint a picture so vivid  
Codeine cups, Co-Codeine cups  
Co-Codeine cups, paint a picture so vivid  
Fast life livin', yeah we still tippin'  
Codeine cups paint a picture so vivid  
Codeine cups, Co-Codeine cups  
Co-Codeine cups, paint a picture so vivid On the lean poppin' Rose with a kush blunt  
With a bitch, ass fat, see it from the front  
Mind gone, man I'm trippy and my eyes low  
Everything purple, all I see is weed smoke  
Codeined out, but my bitch gon' try  
If you say I ain't high, then you niggas lyin'  
A bunch of Taylor's, Memphis niggas gettin' throwed nigga  
A bunch of hoes in this crib, bunch of O's nigga  
Off that oil and it's dirty and I'm feeling great  
Smoke a blunt or two or three just to keep me straight  
You getting high, what ho, make a decision  
That medical promethazine trippy prescription  
Cups overflowin', my vision is dizzy (my vision is dizzy)  
I'm like Bobby Brown ho without New Edition Fast life livin', yeah we still tippin'  
Codeine cups paint a picture so vivid  
Codeine cups, Co-Codeine cups  
Co-Codeine cups, paint a picture so vivid  
Fast life livin', yeah we still tippin'  
Codeine cups paint a picture so vivid  
Codeine cups, Co-Codeine cups  
Co-Codeine cups, paint a picture so vivid Purple, purple, purple, cup always full  
Pass it in a circle, everybody smoking good  
On the daily might, smoke an ounce just to fuck around  
Weed man sold out when I'm in your town  
2050 Trippy, she got a sippy cup  
They say don't drink and sip that lean but I mix em up  
Turnt up to the max, real ratchet shit  
She bad and she smoked probably half that bitch  
You niggas still gettin' tipsy, catch me leanin'  
Smoke some incredible, feel like I'm dreamin'  
My crib in Cali like Texas sippin' DJ Screw (Rest in peace)

Fridge full of Bombay but you can't find no juice
