Rudeboy, come and chat to me next year

Have you ever seen what I do to the mic?  
Rap like a street boy, sing like a sweet boy  
Yeah little nigga, I do what I like  
Look, I am the problem, #PROBLEM  
If you want a problem, 079 me  
You are not Skepta, you are not Wiley  
Manna got bars, let a brudda come try me  
What? What, you thought I weren't grimy?  
What? Didn't know I get lively?  
Brain of a wise man, heart like a pikey  
Why don't none of these MCs like me? I hear them talk  
"How did he win the award, man?  
He don't deserve that shit." I tell man straight  
"I ain't here to play games  
Lord knows that I've earned this shit"  
Ayo Flipz, have you heard this shit?  
Should I set pace? Should I murk 'em quick?  
Come with twenty man, went top twenty fam  
Bump "Skeng 4" in my German whip

Look, I ain't saying that makes me great  
I'm just saying I'm playing my part  
I just find it funny how they  
Told me this one ain't gonna chart  
Tell all the haters kiss my arse  
Year's been mad like where do I start?  
Man wanna talk about views on the Fire in the Booth  
Go and check my fire in the park  
Man want a war, let me know when  
Do it in a fist fight, do it with the pen  
Tell em that you can go Texas Chainsaw Massacre  
I'ma go WickedSkengMan part 10  
And he'll go and do a fire in the park part 2  
Yeah, you got a car, I got a fast car too  
Yeah, you got a gun, I got a rata too

Out in the town with the lads, I get wanked  
I roll with the Gs, but today I'm with the skankers  
I pop one Champers, I know bankers  
And I know gunmen, thugs and shankers  
You can be a target and you can get Manga'd  
Cuh I roll deep like my brakes been tampered  
Look, any riddim' I touch, I get busy  
Ex-girl hitting me up, like "oh really?"  
Let me know who's silly enough to get silly  
You ain't got a million bucks, you're not Diddy  
You ain't got a million bucks, so just cool  
Man stay grizzly as fuck like One Fiddy

Blud don't charge me up, I go back to back  
You ain't killing my buzz, you're not Drizzy  
Wanna get aggy with us? Then go through  
Niggas ain't badding me up, I'm not you  
No, I weren't catching a bus to roll through  
Cause my jeans weren't baggy enough to hold food  
Big bit poking out of my waist  
Can't be hanging with us, there's no room  
All those threats go over my head  
Cause you're just not savage enough, you're no goon  
(Standard)
