

Ordinary Angels (2014 Remaster)

Frente!

you get the world for your birthday baby
open your eyes and say yes, no, maybe
the box ticks on, the core is a bomb
the world is silent
you listen like a lover to itsometimes a mirror's a miracle
sometimes it's nothing at all
in this reflection even angels fall
you could fly anytimeba-da-da-daa etc.
(even though you own your own comet)
ordinary people
it's okay
you don't have to wear those wings
they're stupid thingsi know some dizzy, easy heights
don't stop your life at the lights
don't be smart, be a beginner
don't be wrong, even when it's rightordinary people
it's okay
we're not watching anyway
it's okayba-da-da-daa etc.
