

U Don't Know (feat. Wayne Coyne) [Preview]

Alison Wonderland

[Verse 1]

No one knows you better than yourself
Tryna tell me all these faking sells
I see what it really is
Honest words will never fizz
Give it to me; I can hold my own
I know what it's like to be alone
No need to keep me in the dark
Already been, I felt that spark[Pre-Chorus]
You don't know how it is
For someone else to own you
Someone else to throw your heart around[Chorus]
Didn't need them anyway, I got it
Go make your own delay, you're not it
Look at me standing straight, I'm on it
(Baby, I don't know)
Go free your mind that way, I get it
Didn't need them anyway, I got it
(Baby, I don't know)[Verse 2]
Friends who never come will never go
Swimming through the deep end, let it show
Red flag, don't wait
I know, your fate
All the highs but it's never enough
Where were you when I was doing tough
Lift me above, all that I love
Water my soul, know that I'll grow[Pre-Chorus]
You don't know how it is
For someone else to own you
Someone else to throw your heart around[Pre-Chorus]
You don't know how it is
For someone else to own you
Someone else to throw your heart around[Chorus]
Didn't need them anyway, I got it (You don't)
Go make your own delay, you're not it (Know how)
Look at me standing straight, I'm on it (You)
(Baby, I don't know)
Go free your mind that way, I get it
Didn't need them anyway, I got it

(Baby, I don't know)[Post-Chorus]
You don't know how it is
(Baby, I don't know)
You don't know
You don't know (Baby I don't know)[Post-Chorus]
You don't know how it is
For someone else to own you
Someone else to throw your heart around[Post-Chorus]
You don't know how it is
For someone else to own you
Someone else to throw your heart around
