Dance In The Moonlight

The Mavericks

I want to dance in the moonlight only with you
Take my heartlight and roses that I offer you
And while the whole world is sleeping
We can start anew
I want to dance in the moonlight only with youMaybe it was my mistake
Maybe I'm the fool that let you walk away
With memories of your sweet embrace and loving words
I'm here to plead my case
Though I can't remember now who was wrong or right?
This one thought keeps running through morning, noon and nightI want to dance in the moonlight only with you
Take my heartlight and roses that I offer you
And while the whole world is sleeping
We can start anew
I want to dance in the moonlight only with youThough I can't remember now who was wrong or right?
This one thought keeps running through morning, noon and night
I want to dance in the moonlight only with you
Take my heartlight and roses that I offer you
And while the whole world is sleeping
We can start anew
I want to dance in the moonlight only with you
