

Rock A My Soul

Pixies

I turned you on the roof
To shine your face at me
Drink wine from your tears, rollin' holly molly

Rock a my, soul
Hey, rock a my soul
Rock a my soul
Rock a my soul
Rock a my soul

Hard
I'm waiting
We're waiting
For electric
In a manor
I'm waiting
We're waiting
Sister shaking

Harder I try
All the odder I feel
Like a coletrain, no brain
Rock a my soul
Rock a my soul
Rock a my soul
Oh, rock a my soul
Rock a my soul

Hard
I'm waiting
We're waiting
For electric
In a manor
I'm waiting
We're waiting
