Hurry Love

Carl Wilson

I've spend too many empty nights
Wait for you to touch me and make it right
Will you give in to what you felt was real?
Don't you still feel the love I feelHurry love, hurry
'Fore this feeling fades and slips away
Hurry love, hurry let her see
That I need her to lay
Close to my heartI've watched you all through your busy day
The look in your eyes says you're far away
Will you come back to my once happy dream?
The love he pretended he just didn't mean
Hurry love, hurry
'Fore this feeling fades and slips away
Hurry love, hurry let her see
That I need her to lay
Close to my heartHurry love, make her see (make her see)
Hurry love, lay with me (lay with me)
Hurry love, 'fore she leaves ('fore she leaves)
Hurry love, set her freeHurry love, hurry love
Hurry, hurry love
La- love, hurry love
Hurry love, hurry loveThe moment I saw her lovely face
I had to convince the girl to stay
She filled me with love to overflow
I just can't bear to let her go
Hurry love, hurry
'Fore this feeling fades and slips away
Hurry love, hurry let her see
That I need her to lay
Close to my heartHurry love, make her see (make her see)
Hurry love, lay with me (lay with me)
Hurry love, 'fore she leaves ('fore she leaves)
Hurry love, set her freeHurry love, hurry love
Hurry, hurry love
La- love, hurry love
Hurry love, hurry loveMake her give our love another day
Don't let her throw what we once had away
Bring her back into my once happy dream
Don't let him take her away from meSet her free

Don't let her leave
Give me one more try
Don't let her say goodbyeSet her free
Don't let her leave
Give me one more try
Don't let her say goodbyeHurry love, hurry love
Hurry, hurry love
La- love, hurry love
Hurry love, hurry loveSet her free
Don't let her leave
Give me one more try
Don't let her say goodbyeHurry love
