

We Will See Him

Hillsong

I will lift my eyes only to God alone
I will set my heart trust in the Holy One
I will live in faith knowing His Word is sure
Shout loud to Earth the harvest is here and now Great is our God in all the Earth [Chorus]
We will see Him
Coming on the clouds of Heaven exalted
We will see Him
High and lifted up he reigns in majesty in holiness
Almighty One I will live in hope that Jesus is coming soon
Every nation sing glory to Christ our King
We'll see the glory of His Word
All of His promises revealed [Chorus] See his glory shine forever
In light of all
Hallelujah lift Him higher
For our God reigns [Chorus]
