My love My love My love My love, it ain't you, it ain't you It's just a phase I'm going through It ain't you, it ain't you Don't tell me you dont feel it You, me, them were not at all the same We see things different Chain me down feed me your medicine I'm losing control I feel tired the walls are closin' in I give in My love, it ain't you, it ain't you It's just a phase I'm going through It ain't you, it ain't you, Don't tell me you dont feel it You me them we're all a bit insane Lost and decieved, hold my breath Promise you won't forget me if I secede I feel tired the walls are closin' in

I give in My love, it ain't you, it ain't you, It's just a phase I'm going through It ain't you, it ain't you I can break through this mess I can see though this mess I can go through this mess I can live in this mess I am feeling so numb I could die My love, it ain't you, it ain't you, It's just a phase I'm going through And now I see the things I did It broke me down ripped my heart I patch it back and watch it die Watch it die inside My love it ain't you, it ain't you, It's just a phase I'm going through It ain't you, it ain't you Don't tell me you don't feel it too

My love My love My love
