

Hakuna Matata

Emmanuel Curtil/Jean-Philippe Puymartin/Michel Eli

When I was a cool young one
(When she was a cool young one)
I worked in the colony, paying my due
Accepting without question the prevailing views
That a young girl's life was one long grind
Digging hole, standing guard
'Til it crossed my mind, I was wrong, all along
All that I needed was to have heeded

Hakuna matata

What a wonderful phrase

Hakuna matata

Ain't no passing craze

It means no worries

For the rest of your days

It's a problem free philosophy

Hakuna matata

When I was a shallow youth

(When she was a shallow youth)

Cool calm reflection, I was never that good

I was a pawn in the game

I saw no trees for the wood

My future stretched behind me

I was over the hill

I put my best foot forward but the other stood still

Take my word

(Take her word)

I have heard

(She has heard)

All that I needed

Was to have heeded

Hakuna matata

What a wonderful phrase

Hakuna matata

Ain't no passing craze

It means no worries

For the rest of your days

It's a problem free philosophy

Hakuna matata

Hakuna matata

I hope I have conveyed
You don't have to bust a gut in the sun
It's much cooler in the shade
Some say it's just a waste of time
But they don't realize
That view is nothing but a crime
We are creatures worldly wise
Hakuna matata
What a wonderful phrase
Hakuna matata
Ain't no passing craze
It means no worries
For the rest of your days
It's a problem free philosophy
Hakuna matata
What a wonderful phrase
Hakuna matata
Ain't no passing craze
It means no worries
For the rest of your days
It's a problem free philosophy
Hakuna matata
