I Pity the Fool

Tedeschi Trucks Band

I pity the fool, I said I pity the fool
I pity the fool, I said I pity the fool
That fall in love with you
And expects you to be true
Oh, I pity the foolLook at the people
I know you're wondering what they're doing
They're just standing there
Watching you make a fool of meLook at the people
I know you're wondering what they're doing
They're just standing there
Watching you make a fool of me
Oh, I pity the fool, I pity the fool
That falls in love with you
I pity the fool, I pity the fool
Mmm, that falls in love with you
I pity the fool, I pity the foolShe'll break your heart one day
And she'll laugh and walk away
Oh, I pity the foolYou'll break your heart one day
And then she'll laugh and walk away
Oh, I pity the foolLook at the people
I know you're wondering what they're doing
They're just standing there
Watching you make a fool of me
Look at the people
I said I know you're wondering what they're doing
They're just standing there
Watching you make a fool of meOh I pity the fool, I pity the fool
That fall in love with you
I pity the fool
(Yeah, I pity the fool)
I pity the fool
That falls in love with youShe'll break your heart one day
And she'll laugh and walk away
(Oh, I pity the fool)
Oh yeahLook at the people
(Look at the people)
I know you're wondering what they're doing
(What are they doing, man?)
Look, they're just standing there

(They're just standing there)
Watching you make a fool of me(Tell me again, man)
Look at the people
(Look at the people)
I know you're wondering what they're doing
(What are they doing, man?)
Look, they're just standing there
(They're just standing there)
Watching you make a fool of me
