Life Is a Highway

Chris LeDoux

Life's like a road that you travel on
One day here and the next day gone
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the windThere's a world outside every darkened door
Where blues won't haunt you anymore
Where the brave are free and the lovers soar
Come ride with me to the distant shoreWe won't hesitate
Break down the garden gate
There's not much time left todayLife is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night longThrough all these cities and all these towns
It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the handsTennessee to the those L.A. nights
San Antonio to the Vegas lights
Knock me down, I'm back up again
You're in my blood, I'm not a lonely manThere's no load I can't hold
Road so rough, this I know
I'll be there when the lights come in
Just tell 'em we're survivorsLife is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night longThere was a distance between you and I
A misunderstanding once but now
We look it in the eyeThere ain't no load I can't hold
Road so rough this I know
I'll be there when the lights come in
Just tell 'em we're survivorsLife is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night longLife is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long
