

# Life Is a Highway

Chris LeDoux

Life's like a road that you travel on  
One day here and the next day gone  
Sometimes you bend, sometimes you stand  
Sometimes you turn your back to the wind  
There's a world outside every darkened door  
Where blues won't haunt you anymore  
Where the brave are free and the lovers soar  
Come ride with me to the distant shore  
We won't hesitate  
Break down the garden gate  
There's not much time left today  
Life is a highway  
I wanna ride it all night long  
If you're going my way  
I wanna drive it all night long  
Through all these cities and all these towns  
It's in my blood and it's all around  
I love you now like I loved you then  
This is the road and these are the hands  
Tennessee to the those L.A. nights  
San Antonio to the Vegas lights  
Knock me down, I'm back up again  
You're in my blood, I'm not a lonely man  
There's no load I can't hold  
Road so rough, this I know  
I'll be there when the lights come in  
Just tell 'em we're survivors  
Life is a highway  
I wanna ride it all night long  
If you're going my way  
I wanna drive it all night long  
There was a distance between you and I  
A misunderstanding once but now  
We look it in the eye  
There ain't no load I can't hold  
Road so rough this I know  
I'll be there when the lights come in  
Just tell 'em we're survivors  
Life is a highway  
I wanna ride it all night long  
If you're going my way  
I wanna drive it all night long  
Life is a highway  
I wanna ride it all night long  
If you're going my way  
I wanna drive it all night long
