Gimme More

Jasmine V

Infatuation, I ain't never had a lover that can make me feel this way
(Drop that shit, Gone drop that shit)
I'm usually patient, but every moment I'm with you baby I can hardly wait
(Drop that shit, Gone drop that shit)
Motivation, tell me how you do what you do to me
(Drop that shit, Gone drop that shit)
Temptation, everything on you looks good to me
(Drop that shit, Gone drop that shit)
So I'm just saying boyNo more holding back that's how I like it (oh)
Left-right bring it back that's how I like it
It's it all right? That I want a little bit more
This time I'm not the one that's gonna take it slow
Cuz your all mine, and I want a little bit more
Ain't I never felt this, I ain't never felt this before
I ain't never felt this beforeGimme more, gimme more
Baby it's whatever tonight
Gimme more, gimme more
We can do whatever you likePersuasion, baby Ima keep going til you let me get my way (Drop that shit, Gone drop that shit)
Oh what sensation, all I want is more of that feeling
(Drop that shit, Gone drop that shit)
So I'm just saying boyNo more holding back that's how I like it (oh)
Left-right bring it back that's how I like it
It's it all right? That I want a little bit more
This time I'm not the one that's gonna take it slow
Cuz your all mine, and I want a little bit more
Ain't I never felt this, I ain't never felt this before
I ain't never felt this beforeGimme more, gimme more
Baby it's whatever tonight
Gimme more, gimme more
We can do whatever you like
