

# When Darkness Falls

John Norum

As you walk  
The path of least resistance  
Is it that simple  
As you claim it to be? Cut out  
Your tongue, your eyes, your lies  
They do deceive you  
Your tongue, your eyes, your lies  
They do deceive you I stand firm in my solidarity  
The path I walk  
(The path I walk)  
I walk in with my own resolve When darkness falls  
(When darkness falls)  
We are reborn  
Our dream since the fall of man  
We are reborn My beliefs  
Are not antiquated  
We are the hope  
Silence them all, with not just words  
Let resolution be our voice I stand firm in my solidarity  
The path I walk  
(The path I walk)  
I walk in with my own resolve When darkness falls  
(When darkness falls)  
We are reborn  
Our dream since the fall of man  
We are reborn We are the remnant  
We the remnant will silence them all  
We are the faithful  
We the faithful will silence them all  
Silence them all When darkness falls  
We are reborn  
Our dream since the fall of man  
We are reborn When darkness falls  
(When darkness falls)  
We are reborn  
Our dream since the fall of man  
We are reborn
