Movin On

Mest

This one's for the ladies [VERSE:] Sitting underneath the moonlight Missing my baby tonight, this feeling's just not right Her lovin' keeps me strong and I know that nothing's wrong The last time we touched it's been so long [CHORUS:] Cause I miss my baby A love I've been missing for so long Her lovin' keeps me movin' on But I feel so alone today [VERSE:] When she holds my hand I hope that God had this planned Never understand the way she makes me feel [CHORUS:] And she was his angel, lost her wings for this world To come down here and save me, she's my baby But I feel so alone today I know that she's the one for me Cause I miss my baby I know that she thinks the same about me And I feel so alone today Cause I miss my baby Her lovin' keeps me movin' on and on and on A love I've been missing for so long [BRIDGE:] Her lovin' keeps me movin' on I just keep holding on But I'm not that strong Without you But I'm not that strong Without you I just keep holding on Cause I feel so alone today [CHORUS:] Cause I miss my baby I know that she's the one for me I know that she thinks the same about me Cause I miss my baby A love I've been missing for so long Cause I feel so alone today Her lovin' keeps me movin' on
