

# Satisfied

## Five

I won't be satisfied  
I won't be satisfied Going round in circles, baby  
Trying to think how I'm gonna get with you  
I think about you all of the time  
And you know that you're blowing my mind  
I'm going crazy baby tell me just what I'm supposed to do  
You got me going crazy I don't know what to do girl  
You're rocking my world If you held me tonight it would make things alright  
Could you love me?  
If I held you tonight I would make things alright  
Could you trust me? 'Coz I'm tellin' you, baby I won't be satisfied  
Till you're here with me tonight  
I won't be satisfied  
Till I hold you in my arms  
You know you mesmerize  
When I look into your eyes  
I won't be satisfied  
Till you're here with me tonight I'm not the kind of guy to fall in love  
But baby, I've fallen for you  
I've fallen like an angel for real it's the way  
That you're making me feel  
Walking the streets all along  
Thinking how much I'm gonna be true to you If you held me tonight, it would make things alright  
Could you love me? Could you love me?  
If I held you tonight I would make things alright  
Could you trust me? 'Coz I'm telling you, baby I won't be satisfied  
Till you're here with me tonight  
I won't be satisfied  
Till I hold you in my arms  
You know you mesmerize  
When I look into your eyes  
I won't be satisfied  
Till you're here with me tonight  
I can't wait till I hold you in my arms  
Baby tonight, I can't wait  
Wait until I look into you're eyes I know that your love is the best  
Tell me baby that it's for real  
I want to hold you close in my arms  
You know you're everything that I need I won't be satisfied

I won't be satisfied  
You know you mesmerize  
I won't be satisfied  
Till you're here with me tonight  
I won't be satisfied  
Till you're here with me tonight  
I won't be satisfied  
Till I hold you in my arms  
I won't be satisfied  
You know you mesmerize  
When I look into your eyes  
I won't be satisfied  
Till you're here with me tonight  
I won't be satisfied  
I won't be satisfied  
You know you mesmerize  
I won't be satisfied
