Chorus:

Ima Ima addicted to ya love
Ima Ima addicted to ya love
Don't ya know your loving is my drug
Don't ya know your loving is my drug

Verse 1:

Shadows in the moon night, and all I see is you and me
I can feel your energy all around, ohhhh
When you treat me so right yea ima love you endlessly
Whatever you want you know I am down, so tell me baby
How you do that? That there, keep me coming back there
No I can't fight it, no I can't deny it. Running from the truth
I'm addicted to you

Chorus:

Ima Ima addicted to ya love
Ima Ima addicted to ya love
Don't ya know your loving is my drug
Don't ya know your loving is my drug

Verse 2:

I swear that was the last time, said I'd never fall in love
But that was before you came around, hey yeaah
I wanna spend a lifetime, overdosing on this drug
I ain't afraid to fall cause you're my ground, so tell me baby
How you do that? That there, keep me coming back there
No I can't fight it, no I can't deny it. Running from the truth
I'm addicted to you

Chorus:

Ima Ima addicted to ya love
Ima Ima addicted to ya love
Don't ya know your loving is my drug
Don't ya know your loving is my drug

Bridge:

And I don't care what my friends say, what my family say.
I'm gonna love you anyway, yeah I gotta bad ohhhh

And I don't care what my friends say, what my family say.
I'm gonna love you anyway, yeah I gotta bad oh

Chorus:

Ima Ima addicted to ya love
Ima Ima addicted to ya love
Don't ya know your loving is my drug
Don't ya know your loving is my drug
