

Torn

Hands Like Houses

I thought, I saw a girl brought to life
She was warm, she came around and she was dignified
She showed me what it was to cry

I couldn't be the man that You adored
You don't seem to know
Seem to care what my heart is for
I don't know you anymore

There's nothing where you used to lie
The conversation has run dry
That's what's going on
Nothing's fine, I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor

Illusion never changed
Into something real
I'm wide awake and I can see
DokiDoki Wee Lyrics
The perfect sky is torn
You're a little late, I'm already torn

So I guess the fortune teller's right
Should have seen just what was there
And not some holy light

It crawled beneath my veins
And now I don't care, I had no luck
I don't miss it all that much
There's just so many things
That I can touch, I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed

Lying naked on the floor

Illusion never changed
Into something real
I'm wide awake and I can see
The perfect sky is torn
You're a little late, I'm already torn, torn

There's nothing where he used to lie
My inspiration has run dry
That's what's going on
Nothing's right, I'm torn
