Money make the world go round
Money buy you diamond rings
Money bring me down, thinking bout the things I need
(Pre-)
Ain't it funny? That nothing in this life comes free
So I'm chasin' money, cuz you know it doesn't grow on trees
Money doesn't grow on trees, money doesn't grow on trees
Ain't it funny? Money doesn't grow on trees
Money (money money money)
()
No matter what you think
Know it's never easy
Know that cash is king
And that you'll never stop needing
(Money, cash, I need those)
(2)
Money's such a sweet sweet sound
J'thinkin' bout the finer things
Money's gonna turn you out, forget everything that you believe
(Pre-)
Ain't it funny? That nothing in this life comes free
So I'm chasin' money, cuz you know it doesn't grow on trees
()
No matter what you think
Know it's never easy
Know that cash is king

And that you'll never stop needing
(Interlude)
Money make the world go round
Money make the world go round
(No matter what)
Money make the world go round
(No matter what)
Money make the world go round
(No matter what)
()
No matter what you think
It's never easy
Cash is king
And you'll never stop needing
(Money)
Say I won't ever stop, boy
