

Baby Don't Dance

Steps

Baby, I'm in love
Don't hold me back, don't stop me now
Baby, I'm in love
Can't hold me back, don't stop me now Baby, I'm in love
Can't hold me back, no way, no how
Baby, I'm in love
Don't stop me now, can't hold me back And when I'm with you, baby
I'm never gonna give it up
Just me and you, baby
Our love is enough, is enough Baby, don't dance, baby, don't sing
Baby, don't have to do anything
'Cause my baby's got something that does it for me
This is love that we got and I like it, I like it Baby, don't groove, baby, don't swing
Baby, don't have to prove anything
'Cause my baby's so real, it's the way I feel
This is love and I like it It makes my heart go boom, bang, boom, boom
It makes my heart go boom, baby, boom, boom Baby, I'm in love
And I'm feeling high and it feels so right
Baby, I'm in love
Can't hold me back, don't stop me now And when I'm with you, baby
I'm never gonna give it up
Just me and you, baby
Our love is enough, is enough Baby, don't dance, baby, don't sing
Baby, don't have to do anything
'Cause my baby's got something that does it for me
This is love that we got and I like it, I like it Baby, don't groove, baby, don't swing
Baby, don't have to prove anything
'Cause my baby's so real it's the way I feel
This is love and I like it It makes my heart go boom, bang, boom, boom
It makes my heart go boom, bang, boom, boom And when I'm with you, baby
I'm never gonna give it up
Just me and you, baby
Our love is enough, is enough Baby, don't dance, baby, don't sing
Baby, don't have to do anything
'Cause my baby's got something that does it for me
This is love that we got and I like it, I like it Baby, don't groove, baby, don't swing
Baby don't have to prove anything
'Cause my baby's so real it's the way I feel
This is love and I like it, baby
