

Take It to the Limit (With Waylong Jennings)

Willie Nelson

All alone at the end of the evening
And the bright lights have faded to blue
I was thinkin' about a woman who might have loved me
And I never knew You know I've always been a dreamer
Spent my life running 'round
And it's so hard to change can't seem to settle down
But the dreams I've seen lately Keep on turnin' out and burnin' out
And turnin' out the same
So put me on a highway and show me a sign
And take it to the limit one more time You can spend all your time making money
You can spend all your love making time
If it all fell to pieces tomorrow
Would you still be mine? When you're looking for more freedom
And nobody seems to care
And you can't find the door well you can't find it anywhere
When there's nothin' to believe in Still you're coming back, you're running back
You're coming back for more
So put me on the highway and show me a sign
And take it to the limit one more time
Take it to the limit, take it to the limit
Take it to the limit one more time
