Hood Surgeon

ahhhh gucci, gu u u ci
ahhhh gucci, gucci ahh
nothings goin to stop my reign(2x)Gucci Mane
 Hurt my opponents run through problems
 stoppable i jump over obstacles
 to stop my grind like stoppin sunshine so improbable
 probable mission impossible
 i said it two times nigga, nigga stop lying
 nigga tryin to sell but im just not buying
 look so nice but the kids knocked down
i swear its sicker than a new fruit i got called swinestandin on twine like a uniform
 truck like a uniform
 everydays a work day
 but dont wear uniform
 Gucci Mane a dabudon
 trouble like a capacorn
trouble month goin on money makin marathono joka i be robbin
 and the riddle is batmans comb
 tryin fuck my money up
 and rep koril lik Pacman Jones
 dont print me fingerprint me
 but can we agree, to disagree
im from east atlanta 6 where the boy dump bricks
 but we dont bump the blueprint three
 nigga box me jus like mesh p
 cant fuck me like resh p
 like ali i float like a butterfly
sting like a bee cuz its bug gucci ,guccichorus:streets derail maybe god don't feel me
 make opportunity knock but it jus e-mail
 DA mail make watch me jail
 take it like a champ wile the world mail me
 young dont like me jay outsell me
 Nothing in the word Kanye couldn't tell me
 You can be anyone but Gucci
 jaws so hard i can hardly do it
Cause whoever i hurt you should live that movement
 bae giv hev a chance through you new
 Convicted felon my little friends jailin
 my stash here you go and my bones dun swellin

krazy so i need boyz dat really
my home kept skerp and my porch so iry
so heartbroken my first felt weary
fall in the club and the hoe start cheerin
so hear me hear me i now yall hear me
i dont like writin to mutch not really
but i like brilies thrown by jimmy
but i got a second chance like dis can fell me
this is rap music this is trap music
oo boy da kelly they got jerk movemont
brick squad we rock da block
gucci mane our fourths cockedchours(2x)
