

Sugar Daddy

Laika

Sugar daddy take me away
From this bad, bad place
I'm sick and tired of trying
And I wanna fly away I guess we got our wires crossed
He's thinking driftwood I think twigs
Nothing, nothing is gonna save us now
And I wanna fly away Sugar daddy take me away
From this bad, bad place
I'm sick and tired of trying
And I wanna fly away I guess we got our wires crossed
He's thinking driftwood I think twigs
Nothing, nothing is gonna save us now
And I wanna fly away
