Give Me a Chance

Jed Madela

I need you is all that I can say
But deep inside me
Youâ€™ll know I want you more each day
But time wonâ€™t let me have the chance
So Iâ€™ve got to see you even at a glance
I know, itâ€™s hard for you to see
Exactly how much you mean to me
Since itâ€™s just a one way street
And Iâ€™m the only one whoâ€™s on it
No one knows that way but me

Chorus:
I love you canâ€™t you hear me
Oh canâ€™t you please see through me
Oh babe I need your love so badly
Itâ€™s no lie so please believe me
In my heart youâ€™ll see the real me
You just gotta give me a chance

Well since I got that off my chest
All I need to let you know
Is I really did my best
Keep this feeling inside
But thereâ€™s just no place to hide
So please be my love

Repeat Chorus except last word
â€¦chance

Give me a chance
Give me a chance
Give me a chance
