Jessica Slaughter

Mrs. Magician

I guess I've been running in circles,
no one ever told me I would be so broke.
Friends stop by, to say something hurtful.
I hope our love then died before they see me choke.I feel so stupid, I thought you were dead.
You're just outta town,
That's what all the boys have said.
I feel so foolish, I thought you were gone.
You're just outta town, guess I'll learn to carry on.I guess I've been running in circles.
no one ever told me I would be so broke.
Friends all lie, say something hurtful
I hope our love, you die, before you see me choke.I guess I'm stupid, to think that you're dead.
You're just outta town,
That's what all the boys have said.
I feel so foolish, I thought you were gone.
You're just outta town, and I'll learn to carry on.HeyThat's what all the boys have said. (x4)
