

# Cleansing Stream

[Andrea Hamilton](#)

Verse 1:

Healing waters of God flow  
Cover me and make me whole  
All I need is Your healing touch oh Lord  
To restore my soul

Verse 2:

Breaking light of the new day  
Bringing freedom as we pray  
And I'm grateful for the hope You give me Lord  
You fill this heart with praise

Chorus:

Here in Your cleansing stream  
I am covered by Your love  
You have delivered me  
And my past has been undone  
Dancing in liberty  
You have made all things new (hallelujah)  
And I will worship You  
Here in Your cleansing stream

Verse 3:

I'm surrounded by your grace  
And there's no fear in this place  
Trusting more and more  
The way You lead me Lord  
In your will and ways
