

# Come Undone (DJ Lex Zouk Remix)

## Duran Duran

My immaculate dream made of breath and skin  
I've been waiting for you  
Signed, with a home tattoo  
"Happy birthday to you" was created for you  
Can't ever keep from falling apart at the seams  
Can I believe you're taking my heart to pieces  
Ahh, it'll take a little time  
Might take a little crime to come undone  
Now we'll try to stay blind to the hope and fear outside  
Hey child, stay wilder than the wind and blow me in to cry  
Who do you need?  
Who do you love?  
When you come undone  
Who do you need?  
Who do you love?  
When you come undone  
Words, playing me deja vu  
Like a radio tune I swear I've heard before  
Chill, is it something real?  
Or the magic I'm feeding off your fingers  
Can't ever keep from falling apart at the seams  
Can I believe you're taking my heart to pieces  
Lost, in a snow filled sky  
We'll make it alright to come undone  
Now we'll try to stay blind to the hope and fear outside  
Hey child, stay wilder than the wind and blow me in to cry  
Who do you need?  
Who do you love?  
When you come undone  
Who do you need?  
Who do you love?  
When you come undone  
Who do you need?  
Who do you love?  
When you come undone  
Can't ever keep from falling apart  
Who do you need?  
Who do you love?  
When you come undone  
Can't ever keep from falling apart  
Who do you need?  
Who do you love?  
When you come undone  
Can't ever keep from falling apart  
Who do you need?  
Who do you love?  
When you come undone
