Didn't Know

Astro

Woke up thi mornin'
And the sun was shinin'
Hey I feel so good now
No more worries on my mind
I've been just smilin'
Feelin' your love around me
Havin' you right beside me
All my problems pass me by
Didn't know I'd be so happy
Didn't know I'd feel se free
Didn't know your love could change me
I live in total victory
So many people tried to hurt me
They didn't know it would help me
Because of you, I'm much better
I ddin't know, I didn't know
I feel so free
Can do anything
Loosed from people that were holding me
I can see clearly now
Tears so full of joy
No need to let them near me
No more compromise
No huring me or decieving me oh
Didn't know I'd be so happy
Didn't know I'd feel se free
Didn't know your love could change me
I live in total victory
So many people tried to hurt me
They didn't know it would help me
Because of you, I'm much better
I ddin't know, I didn't know
Now my world is free from guilt and pain
For you I turned in my broken heart
Didn't know I'd be so happy
Didn't know I'd feel se free
Didn't know your love could change me
I live in total victory
So many people tried to hurt me

They didn't know it would help me
Because of you, I'm much better
I ddin't know, I didn't know
