Destiny

Slushii

[Pre-Drop]
Dance me down and take me 'round the wo-o-orld tonight
Want you to lead me, deeper, take the rhythm alive
If the monsters come and tear you away from me
Want you to never ever ever give up hope
It's destiny

[Drop]
It's destiny
It's destiny-ny-ny-ny-ny...
It's destiny

[Interlude]
Dance me down and take me 'round the wo-o-orld tonight
Want you to lead me, deeper, take the rhy-ythm alive

[Pre-Drop]
If the monsters come and tear you away from me
Want you to never ever ever give up hope
It's destiny

[Drop]
It's destiny
It's destiny-ny-ny-ny-ny...
It's destiny
It's destiny

[Outro]
-ny
Destiny
-ny
