

Before You Go

Candice Alley

Stevie:

I know you ain't tryna here you out
(Whoa... Whoa...)
There's a couple of things i wanna
get off my chest
(Ohh...Ohh...)
Listen...

I know sometimes you wonder when i'm
not there,
You feel frustrated thinking that I don't
care,
Cause I don't...Answer my phone,
I don't...Return your call,
I don't...Do all the things,
That I...Once did before,

It's just the way I am,
Let me as sure you,
Baby, Nothing could be futher from
the truth,
Sometimes I...Be working late,
Cause I...Gotta write that song,
Don't be...Too quick to judge(you can)
Thats...Somethings wrong

I know I should've spent
more time,
That was my mistake,
Girl, I don't wanna change
your mind,
But before you go...

Just know that...
I wasn't tryna push you away,
All I ever wanted was you to stay,
And before you up and leave,
I just need you to see,
Loseing you was not apart of the

plan!

Know that...

I wan't tryna push you away,
And before you go just let me say,
I'm sorry I couldn't be that boy,
But please believe,
All I wanted was...
All I wanted was to be your man...

Baby, Understand I never meant to
hurt you,
And I realized the way that I
Mistreat you,
I'm thinking of...All the things,
That I...I could've done,
Should've...Made you believe,
That...You were the one,

To see you walk away caught me by
Surprise,
I guess you meant more to me than
I realized,
I wish...I could go back,
But...What's done is done,
So now...I guess it's time...that
We....try to move onnn,

I know I should've been
Right there,
That was my mistake,
Girl, I ain't tryna change
Your mind,
I know it's much too late!

Just know that...

I wasn't tryna push you away,
All I ever wanted was you to stay,
And before you up and leave,
I just need you to see,
Loseing you was not apart of the
plan!

Know that...

I wan't tryna push you away,
And before you go just let me say,

I'm sorry I couldn't be that boy
But please believe,
All I wanted was...(All I wanted
was)
All I wanted was to be your man!

I thought I needed time in
Space,
But seeing you walk away,
Has made me realize,
This isn't how it was suppsed
To be!
Yay ee Yeah!!!

Mr. Smith Rap:
As I'm stting here alone writing this
song,
Tryna figure out what the hell went
wrong,
I remember how we used to be, baby,
And everything I did that would
Drive you crazy,

I would stay out all night,
You go left and I go right,
To the studio for
Confesstionals,
Sitting right by another
Fight,

You were right,
Yes I learned, Did like Usher
And "Let it burn",
Wish I could turn back the
Hands of time,
Make you wanna stand three
Little words,

Looking back, It was just
That easy,
I'm not saying this so that
You won't leave me,
I just hope you hear the
Song and believe me!

Stevie:

Just know that...
I wasn't tryna push you away,
All I ever wanted was you to stay,
And before you up and leave,
I just need you to see (Ohh...Baby)
Loseing you was not apart of the
plan,

Know that....
I wasn't tryna push you away,
And before you go just let me say,
I'm sorry I couldn't be,
That boy, But please believe,
All I wanted was....(All I wanted was)
All I wanted was to be your
mannnnnnn...

I wasn't tryna push you away,
All I ever wanted was you to
Stay,
And before you up and leave,
I just need you to see,
Loseing you was not apart of
The plan,

Know that....
I wasn't tryna push you away,
And before you go just let me say,
I'm sorry I couldn't be,
That boy, But please believe,
All I wanted was...(Ohh)
All I wanted was to be your man!

.....
