

# A Message

## Yoop

My song is love  
Love to the lovely song  
And it goes on  
You don't have to be alone  
Your heavy heart is made of stone  
And it's so hard to see you clearly  
You don't have to be on your own  
You don't have to be on your own  
And I'm not gonna take it back  
And I'm not gonna say, "I don't mean that"  
You're a target that I'm aiming at  
And I get that message home  
My song is love, my song is love, unknown  
And I'm on fire for you, clearly  
You don't have to be alone

You don't have to be on your own  
And I'm not gonna take it back  
And I'm not gonna say, "I don't mean that"  
You're a target that I'm aiming at  
But I'm nothing on my own  
Got to get that message home  
And I'm not gonna stand and wait  
Not gonna leave it until it's much too late, oh  
On a platform, I'm gonna stand and then say  
That I'm nothing on my own  
And I love you, please come home  
My song is love, is love unknown  
And I've got to get that message home
