

# Psychotic Reaction

## The Count Five

I feel depressed, I feel so bad  
'Cause you're the best girl that I ever had  
I can't get your love, I can't get a fraction  
Uh oh, little girl, psychotic reaction  
And it feels like this I feel so lonely night and day  
I can't get your love, I must stay away  
Well, I need you girl, by my side  
Uh oh, little girl, would you like to take a ride, now  
I can't get your love, I can't get satisfaction  
Uh oh, little girl, psychotic reaction
