

Hope She Cheats On You (With A Basketball Player)

[Marsha Ambrosius](#)

I hope she cheats on you with a basketball player
Hope that she Kim Kardashian the way up
Don't know the difference between a touchdown and a lay up
Got you on Viagra in order for you to stay up I may sound bitter, I'm a little bitter
Just a little bitter because you were with her
I'm Salt Lake City now, I'm up on out the picture
Remember how it was when I was with ya? Baby, sex so good, do you remember? Oh
Baby, sex so good, do you remember? Oh
Well, look at how it all turned out now
(I hope she cheat on you with a basketball player) Look at how it all turned out now
(I hope you're feeling lonely, baby, now we're not together)
Look at how it all turned out now
(I hope she cheat on you with a basketball player)
Look at how it all turned out now
(Now that I'm without you) I hope she cheat on you with a NFL baller
She ignores ya every single time you call her
Brand new Louie, gotta have it, spend ya money on her
When you wanna hit it, she acting like she don't wanna I may sound bitter, I'm a little bitter
Just a little bitter because you were with her
Salt Lake City now, I'm up on out the picture
Remember how it was when I was with ya? Baby, sex so good, do you remember? Oh
Baby, sex so good, do you remember? Oh
Well, look at how it all turned out now
(I hope she cheat on you with a basketball player) Look at how it all turned out now
(I hope you're feeling lonely, baby, now we're not together)
Look at how it all turned out now
(I hope she cheat on you with a basketball player)
Look at how it all turned out now
(Now that I'm without you) She cute and all, but that won't last forever
What I had for you was so much better
Yeah, the grass ain't greener on the other side of town
Now look at how it all turned out now I'm a little bitter, just a little bitter
But I'm doing better 'cause we ain't together
Ya sorry excuse for somebody I was into
Remember what it was when I was with you?
Well, look at how it all turned out now
(I hope she cheat on you with a basketball player) Look at how it all turned out now
(I hope you're feeling lonely, baby, now we're not together)
Look at how it all turned out now

(I hope she cheat on you with a basketball player)
Look at how it all turned out now
(Now that I'm without you, baby)I hope she cheat on you with a basketball player
I hope you're feeling lonely now we're not together
Said I hope she cheat on you
Said I hope she cheat on youHope she cheats on you, baby
I hope she cheat on you with a basketball player
Said I hope she cheat on you
