

Mighty Fine

Dannii Minogue

Ooh, he's so mighty fine
And it really got me
Ooh, he's so mighty fine
Sweet on love and mighty fine
Yours are the lips of my design
Gonna fly, through the night what we find, so inviting
Sweet on love, feel mighty fine
And the music keeps on moving
Ooh, and the music keeps on moving
Zip, zip, zip, zip
Zip a de day, just sail your troubles away
Do like you wanna do
Zip a de day, tomorrow's drifting away
Do like you wanna do
Ooh, he's so mighty fine
He's got a love, I'm mesmerized
And his is the sparkle in my eyes
On and on, through the night what we find, so enticing
He's got a love, so mighty fine
Zip, zip, zip, zip
Zip a de day, just sail your troubles away
Do like you wanna do
Zip a de day, tomorrow's drifting away
Do like you wanna do

Zip a de day, just sail your troubles away
Oh, do like you wanna do
Zip a de day, tomorrow's drifting away
Do like you wanna do
Ooh, he's so mighty fine
And it really got me
And the music keeps on movin'
Ooh, he's so mighty fine
On and on, through the night what we find, enticing
Sweet on love and mighty fine
Zip, zip, zip, zip, zip
Zip a de day, just sail your troubles away
Do like you wanna do
Zip a de day, tomorrow's drifting away

Do like you wanna do
Zip a de day, just sail your troubles away
Do like you wanna do
Zip a de day, tomorrow's drifting away
Do like you wanna do
Oh, mighty fine
Mighty fine
Oh, mighty fine
Zip, zip, mighty fine
