

S.O.S. (Let the Music Play)

Jordin Sparks

SOS

SOS

What's up, girlfriend, somethin's goin on,
You gotta look, how bout ya tell me what's wrong,
is that your boyfriend dancin with that girl on the floor,
we gotta dance now, time to show our weapons of choice,

SOS is all i need to send,
just a little text and im callin all our girls,
FYI u know its obvious,
dont take his lyin, no more cryin, now its a war

CHORUS

Let the music play,
he wont get away,
just get the groove and then he'll come back to you again
let the music play,
he wont get away
this groove u cant ignore,
he wont leave u anymore

SOS

SOS

That crazy chick,
dunno who shes messin with,
look in her eyes,
she mentally undressin now,
she better step back right now,
and get ur hands up cuz we about to get down

SOS im callin out again,
just a little text and ur surrounded by ur girls
FYI i kno how its gonna end
wont take his lyin, no more cryin now its a war

CHORUS x2

hey now, no one stands a chance,
cant get enough when we start to dance

come wit me now, we gon' shake it now
gonna blow it up gonna hit the ground x2

CHORUS x3
