

Hands on Me

Ariana Grande

Keep your hands on me
Don't take them off until I say so
Let me break you off
We'll be taking off
Or maybe making love
You just keep your eyes on my you know what Trembling, when you touch
Rush is racing, body baking
Picture me and you making
Making sweet love
Baby give it to me Eyes on me, dance on me tonight
You're all, all on me
Keep your hands on me Don't take them off
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Don't take them off
Put your hands on me
You can put your hands on me
If you like what you see
Baby put your hands on me It's your birthday
Every day with me
And I make her hand rocky ASAP
It's your birthday
Every day with me
And I make her hand rocky ASAP Skirt off keep da high heels on
Might be a little thing but I like that long yeah
Don't let these eyes fool ya
I can take it home, nothing back, give it to me Eyes on me, dance on me tonight
Your all, all on me
Keep your hands on me Don't take them off
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it

Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Don't take them off
Put your hands on me
You can put your hands on me
If you like what you see
Baby put your hands on me It's your birthday
Every day with me
And I make her hand rocky ASAP
It's your birthday
Every day with me
And I make her hand rocky ASAP Can I, can I, can I please put my hand on it?
Shaking like they're burning, lemme put a fan on it
Bumblebee got a parachute to land on it
'Cause you got the cake, can I put my candle on it? It's your birthday
Every day with me
And I make her hand rocky ASAP
Got me talking marriage
I like what I see
I might put a ring on it
Word a B and Jay-Z
But before I do that let me put a hand on it
Oh so hot I could catch a tan on it
Got me sweating so much we can swim on da dancefloor
We gon have to mess around and put a dam on it
(Damn on it) Don't take them off
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Don't take them off
Put your hands on me
You can put your hands on me
If you like what you see
Baby put your hands on me
