

Words

Boyzone

Smile an ever lasting smile
A smile can bring you near to me
Don't ever let me find you gone
'Cos that would bring a tear to me This world has lost its glory
Let's start a brand new story
Now my love You think that I don't even mean
A single word I say It's only words
And words are all I have
To take your heart away Talk in ever lasting words
And dedicate them all to me
And I will give you all my life
I'm hear if you should call to me You think that I don't even mean
A single word I say It's only words
And words are all I have
To take your heart away It's only words
And words are all I have
To take your heart away Da da da da da da da
Da da da da da da da da da da
Da da da da da da da
Da da da da da da da da da This world has lost its glory
Let's start a brand new story
Now my love
You think that I don't even mean
A single word I say It's only words
And words are all I have
To take your heart away It's only words
And words are all I have
To take your heart away It's only words
And words are all I have
To take your heart away
