Smile an ever lasting smile A smile can bring you near to me Don't ever let me find you gone 'Cos that would bring a tear to meThis world has lost its glory Let's start a brand new story Now my loveYou think that I don't even mean A single word I sayIt's only words And words are all I have To take your heart awayTalk in ever lasting words And dedicate them all to me And I will give you all my life I'm hear if you should call to meYou think that I don't even mean A single word I sayIt's only words And words are all I have To take your heart awayIt's only words And words are all I have To take your heart awayDa da This world has lost its glory Let's start a brand new story Now my love You think that I don't even mean A single word I sayIt's only words And words are all I have To take your heart awayIt's only words And words are all I have To take your heart awayIt's only words And words are all I have To take your heart away
