Colours

The Avalanches

[Intro]
(Colours, colours)
(Wonderful, wonderful colours)
(Oh, colours!)[Repeated Chorus: Reversed Sample]
After the tears, true love can start
Where there's a heartache, there must be a heart
After the tears, true love can start
Where there's a heartache, there must be a heart[Interlude: Jonathan Donahue]
Hey mermaids, I'm only here in the sun to play
I wanna join you in the urban surf
And learn to love you in a neon way
Hey mermaids, I'm only here in the sun to play
I wanna join you in the urban surf
And learn to love you in a neon way[Verse: Jonathan Donahue]
Over sea, under stone
No-one wants to be alone
Everybody's going somewhere
After dark and the bars are slow
Where do all the mermaids go?
Everybody's got there somewhere
Everybody knows it's somewhere
