## George Baker Selection

I left you a million times  
I left you a million times  
The irony ain't lost on me  
Oh no no no no no  
Oh no no no no no  
Virginia, I miss you the most

Virginia, I got so lost  
Your sympathy ain't wasted on me  
I left you a million times  
I left you a million times  
The irony ain't lost on me  
Oh no no no no no
