Hidden Agenda

Arthur Dellea

C'mon baby
Do, do, do, do
Ooh, yeah
C'mon
Now baby, he keeps on sayin'
And he tells you you're the only one
But everybody knows he's out there havin' fun
Behind your back and that's a fact
And it ain't right
'Cause he's a fly guy actin' like a gentlemen
But back in the day I can still remember when
He just turned around, wouldn't looked twice at you
And I, just being straight with you
'Cause he, takes you for a fool
So you, should be on your guard
When he thinks you don't have a clue
And I, keep the truth be known
That you, and don't fall alone
When he, gets everything he wants
So girl open up your eyes and see with me
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
Now lady, when he tells you that he loves you
And won't give you up, takes your car
And it's your money that be fillin' it up
With the wad he's got, this he hit the jackpot
And it ain't right
'Cause your connections keep him sweet
And that's so typical, he's only in it for himself
And that's so cynical, he'd be out of site if girl, you lost it all
So I, feel so bad inside
When he's, crusin' in your ride
'Cause I know, baby, late at night

There's some other girl by his side
And I, wanna let you know
That he, really ought to go
And you, should believe in me
'Cause I care baby, can't you see with me
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
Now baby girl, when he does you wrong
I'll make sure you're alright, yeah
I just wanna be your friend
'Cause there's no reason to pretend
And that's the difference with me, oh girl
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
What you see is what you get
With no hidden agenda
So girlfriend when he's playin' around
You better remember
