

# The Unbeliever

## Iron Maiden

When you start to take a look within  
Do you feel at ease with what you see?  
Do you think you can have peace of mind  
And have self belief or be satisfied? Do you even think you like yourself  
Or really think you could be someone else?  
Is there something that you'd rather be?  
Never thought you'd be, had the chance to see All my life I've run away  
All my life I've tried to hide away Feel the paranoia creepin' in  
Like a cancer eatin' at the skin  
Do you feel you've lost your self esteem  
And your self respect, what can you expect? All my life I've run away  
All my life I've tried to hide away  
All my life I've run away  
All my life I've tried to hide away All my life I've run astray  
Let my faith slip away  
All my life I've run astray  
Allowed my faith to drift away All my life I've run astray  
Let my faith slip away  
All my life I've run astray  
Allowed my faith to drift away Are you scared to look inside your mind?  
Are you worried just at what you'll find?  
Do you really wanna face the truth?  
Does it matter now, what have you got to loose? Try to release the anger from within  
Forgive yourself a few immortal sins  
Do you really care what people think?  
Are you strong enough to release the guilt? All my life I've run away  
All my life I've tried to hide away All my life I've run astray  
Let my faith slip away  
All my life I've run astray  
Allowed my faith to drift away All my life I've run astray  
Let my faith slip away  
All my life I've run astray  
Allowed my faith to drift away
