

Sorry I Stole Your Man

Jessica Hernandez & The Deltas

Oh, I'm sorry I stole your man.
Oh, I'm sorry he loves me most.
But I took his heart and I lost my own.
And I'm sorry he's got my name, written below his chest.
Oh it's not my fault that I took him for myself,
'cause he's just so gonna feel it. Oh, you're pretty like a devil's hound.
Sweet like a lemon tree.
But you ain't enough for what you need to be,
'cause he's just gonna feel it. Say, "take me (take)
Oh leave me , go wild". (wild)
You're gonna find out somehow, (somehow)
I'm getting my way Oh, when the sun shines, (sunshines)
Don't cry about his brown eyes. (brown)
He's leaving you, babe, (tongue tied)
And coming for me. Sorry I stole your pride,
Got bred by the tales you told.
Bad things you've done with a past like mine.
And I'm sorry that you got no sense.
Just take it from the ones who give
Oh it's coming back.
He's mine, you're on your own.
He's just gonna feel it Say "Take me, (take me)
Oh leave me, go wild". (wild)
You're gonna find somehow, (somehow)
I'm getting my way.
When the sun shines, (sun shines)
Don't cry about his brown eyes. (brown)
He leaving you, babe, (tongue tied)
And coming for me. If my life were like good people,
But I wasn't able to tell.
Got what's yours, you got your fever
But I'll give them a help.
If you keep your small arms loaded,
I'll wonder what you get. "Take me. (take)
Oh, leave me, go wild." (wild)
You're gonna find out somehow, (somehow)
I'm getting my way.
When the sun shines, (sun shines)
Don't cry about his brown eyes. (brown)

He leaving you, babe, (tongue tied)
And coming for me.
