

# Sunny

## The Gym All-Stars

Sunny, yesterday my life was filled with rain  
Sunny, you smiled at me and really eased the pain  
Oh, the dark days are done the bright days are here  
    My sunny one shines so sincere  
    Sunny one so true I love you  
    Sunny, thank you for that sunshine bouquet  
    Sunny, thank you for the love you brought my way  
You gave to me your all and all now I feel ten feet tall  
    Sunny one so true I love you  
    Sunny, thank you for the truth you let me see  
    Sunny, thank you for the facts from A to Z  
    My life was torn like windblown sand  
And then a rock was formed when we held hands  
    Sunny one so true I love you  
    Sunny, thank for that smile upon your face  
    Sunny, thank you for that gleam that flows with grace  
You're my spark of nature's fire you're my sweet complete desire  
    Sunny one so true I love you  
    Sunny, yesterday my life was filled with rain  
    Sunny, you smiled at me and really eased the pain  
    The dark days are done the bright days are here  
    My sunny one shines so sincere  
Sunny one so true sunny one so true sunny one so true love you
